Forecast For East Midlands
Issued by Met Office Exeter
at 1600 on Tuesday 16 Nov 2021

++ Valid for broadcast between 1800 and 0600

Headline:
Rain for a time, clearing overnight. Sunshine and showers Wednesday.

This Evening and Tonight:
Becoming cloudy with patchy rain for a time during the evening, however becoming clearer and colder later in the night, with the Park District perhaps seeing the odd shower. Generally breezy, helping to prevent frost for all but prone spots. Minimum temperature 3 deg C (37 deg F).

Wednesday:
Bright and breezy, with sunny spells and perhaps the odd fleeting rain shower in the north. Becoming generally fine for a time later, ahead of a cloudier evening. Maximum temperature 11 deg C (52 deg F).

Outlook for Thursday to Saturday:
This period should stay largely dry, but often rather cloudy, with a risk of some morning fog given mainly light winds. Temperatures should be generally above average throughout.
